To Whom It May Concern:

It is with great pleasure and admiration that I submit this letter of recommendation on behalf of Ms. Susan Davis who has been an impactful teacher for more than 20 years.

I have worked directly with Ms. Davis and observed her excellent leadership abilities as a department chair and teacher, willingness to learn and commitment to excellence. She successfully collaborates complex problems and works through challenges with all participants. She is tireless in all her responsibilities; works long hours and still continues to maintain an excellent disposition, willing to help anyone whenever asked. She faces challenges with a solution-based approach, focusing on the problem to develop firm decisions.

Instructionally Ms. Davis is second to none! When visiting her classroom, the students are always on task and fully engaged in the daily lesson. She creates a variety of learning opportunities for each of her students to experience academic success. More importantly, I have been impressed with her ability to establish a strong rapport with her students and create lasting impacts upon dozens and dozens of students. In fact, she is the most visited and sought out teacher by former students that I have seen in a long time; many students recognize her as one of their most influential teachers.

It is obvious Ms. Davis is a lifelong learner. Impressively, she has completed two Master's programs, at the culmination of her teaching career! She continues to pursue her passion in writing and will, without a doubt, continue to impact students through her writing, education, and personal experiences.

Ms. Davis is one of the most passionate and dedicated educators I have ever worked with. Success begets further success- and through her success, as an educator, she will surely impact all who cross her path.

Sincerely,

Jamie Bates Assistant Principal
